Trading Capital	Daily ROI (Target)
\$50 to \$1,999	3% to 3.5%
\$2,000 to \$20,000	4% to 5.5%
\$21,000 to \$100,000	6% to 7%

Note:

Trading signals come 2 to 3 times daily.

Important Financial Terms and Conditions

This page outlines critical rules regarding profit and capital withdrawal and contract termination. Please review these terms carefully.

■ Withdrawal and Termination Notes

■ Alternative Profit Withdrawal

Profit can be withdrawn alternatively only during bot refuel breaks, which occur once daily. This process attracts a charge of 10% on the withdrawn profit amount.

■ Contract Termination Fee

If a user chooses to terminate the contract and withdraw their capital before the due date (i.e., before the designated withdrawal period for their bot version), the following penalty applies:

Termination attracts a fee of 35% on the capital amount.
